Re: 2012 Bargaining Proposals

Sisters and Brothers,

Attached please find the 2012 Bargaining Proposal Form that should be distributed to all of your members in the Craft & Services bargaining unit, as soon as you are able.

You will note that we are asking members to provide their input to the local no later than March 1, 2012. This will allow locals to catalogue and set bargaining priorities at local meetings, or by other means, during the months of March and April.

As in the past, we are asking that locals find a method of determining their members' top five bargaining priorities.

We are also asking that a summary of your priorities, in addition to a copy of all of the proposals that have been determined by the Local to be appropriate for consideration by the Caucus, be forwarded to the CEP Regional Office no later than May 1, 2012.

Thank you for your assistance in ensuring that we have a good understanding of our members' concerns so that we will be fully prepared to enter negotiations with Bell in the fall.

In solidarity,

Sean Howes,
National Representative.
